## MAINTAINS TEMPERATURE

Cold stays COLD, Warm stays WARM

<b>COLD</b>		<b>WARM</b>
4°C (40°F)		55°C (131°F)

Chills to 18°C (64°F\*) below ambient room temperature. 4°C (40°F) based on 22°C (72°F) room temperature

Keeps warm at 55°C (131°F) on single temperature setting. The warm feature is not adjustable and is not intended to "heat up" contents.

**NOTE:** Insulated interior keeps items at already achieved temperature for a period of time even when unplugged. Not recommended for prolonged storage of perishable items when ambient temperature exceeds 24°C (75°F).

*\*An average of 4°C (40°F) is based on 22°C (72°F) indoor room temperature.*
